JACKSONVILLE, ILLINOIS, SUNDAY MORNING, MARCH 6, 1904

THE WAR IS HARDLY BEGUN

SO CONSIDERED BY THE RUSSIANS

Heavy Land Fighting Not Ex- pected Before End of April— Determined to Defend Port Arthur.

St. Petersburg, March 5.—Although almost four weeks have elapsed since the Japanese first attacked Port Arthur, here the war is considered hardly to have begun. Heavy land fighting, upon which the fate of the campaign depends, is not expected much before the end of April. By this time Russia will have in the field, exclusive of the large army required to guard the railroads, four army corps, each with a cavalry division and artillery brigade. All that has happened so far or is going to happen until these forces are in the field is considered, according to the Russian view, to be nothing more than the prologue to the real drama.

The crippling of the Port Arthur fleet was unfortunate in that it gave the enemy command of the sea at the very outset. It is, however, of relatively small importance from the standpoint of main strategy of the war, whether Port Arthur stands or falls. But so long as it holds out and the fleet is harbored there it will constitute a potential menace which will restrict and hamper Japanese operations, and Russians are determined to defend Port Arthur as heroically as they did Sebastopol. Besides the garrison there will be a division of Cossacks with mountain batteries on the peninsula to oppose the landings and harass the enemy if they succeed in investing the city.

Cossacks, mounted infantry and light guns have crossed the Yalu river and will serve to harass the enemy in every possible way as well as to hold him in check until the Russian main armies and reserves are concentrated and disposed. Sharp fighting may occur between advance parties, but nothing of a decisive character is anticipated.

Russian plans do not contemplate taking any chances on the score of inferior numbers. By sheer weight of men and guns, if nothing else, when the proper time arrives Russia counts on overwhelming the Japanese and forcing them back through Korea. The Russians admit the fine marksmanship of the Japanese and their marvellous ability in determining ranges, yet they do not believe the Japanese can face successfully the legions of the czar. On the sea the maritime life of the Japanese gives them a natural advantage, but on the land, where belong all the traditions of the Russian army, the men of the empire have perfect faith born of their numerous experiences with pagan tribes, and the fatalism inherent in the Russian character. They believe that Asiatics cannot meet Europeans in battle array; that a yellow race cannot triumph over a white, or heathens over Christians.

BRITISH VIEW.

London, March 5.—The foreign office regards the week just ended as one in which much has been done to guarantee the continued peace of Europe. The Associated Press is authorized to say that rumors that France, Great Britain or any other power is contemplating intervention or taking of any steps with the idea of ending the war are quite baseless.

In Downing street it is thought Japan would almost regard any attempt at intervention as an unfriendly act. Concerning the attitude of Russia toward Great Britain, it was said at the foreign office to night that the government here has received direct and indirect information which has proved conclusively that the Russian government is sincere in its desire to maintain friendly relations with Great Britain.

The only diplomatic danger believed by the foreign office to be in sight is the possible continental protest against the Japanese-Coréan treaty. Great Britain has been unofficially approached by one of the great powers with the view of sustaining Russia's protest in this connection of point of international law. Landedness, however, will take no action and it is thought likely other nations will deem it wise to complicate the situation by seriously urging the Russian contention that Japan's new treaty with Corea abrogates the rights of other powers.

WAR REPORTS.

Tokio, March 5.—The emperor of Corea has sent the mikado a cordial reply to his personal message assuring the former that the war with Russia was declared solely with a view of securing permanent peace and expressing sincere wish the protocol recently concluded between the Japanese and Corea will increase the intimacy of those two countries.

Port Said, March 5.—The Russian squadron, commanded by Admiral Wierentz, consisting of a cruiser, transport and eight torpedo boats, sailed from here at four this afternoon.

Tokio, March 5.—An Austrian steamer which has arrived at Hakodate from Vladivostok reports the Russian squadron left Vladivostok Feb. 29. It is presumed to be cruising in northern waters with hope of capturing Japanese merchantmen. Another report says two Russian war-

ships have been seen off Ussuri bay. Advices from Hakodate do not mention any attacks on northern ports.

Tien Tsin, March 5, 8:30 a. m.—The Japanese fleet bombarded Port Arthur at intervals throughout Monday, Tuesday and Wednesday. Ships attacked the town first at a distance of nine and three-eighths miles from the forts, then drew closer to a range of about four and three-quarters miles.

Seoul, March 5.—Twenty members of the peddlers' band are reported to have taken an oath to kill all officials who favored alliance with Japan. The Japanese minister promptly informed the Korean government if it does not arrest the conspirators Japanese officials would do so. As a result four leaders of the peddlers have been arrested. The cabinet decided to do to reopen the railway between Yongsampho and Wiju.

Seoul, March 5.—Russians who recently retreated from Anju to Pak Chen are reported to have moved northward from the latter place.

LOST FIFE IN FIRE

A Priest and Two Servants Killed by Burning of Loug Island Church.

New York, March 5.—A priest and two servants were killed and two priests severely injured at a fire which destroyed St. Patrick's Roman Catholic church and adjoining rectory in Long Island city to day. The dead: Rev. Father Ernest, Mary and Margaret Brady, domestics. The injured: Rev. Joseph Kearney and Rev. Father Hennigan. Loss, \$5,000.

DOESN'T WANT CHAIRMANSHIP.

New York, March 5.—Governor Odell has decided not to go to Washington to day to visit President Roosevelt, as had heretofore been announced. Odell is suffering from a severe cold and sore throat and returned to Albany. In an interview he declared the chairmanship of the national Republican committee had no attraction for him. He would not accept it under any circumstances.

A DISASTROUS EXPLOSION.

Lafayette, Pa., March 5.—As the result of an explosion of powder and dynamite at the magazine of the Kerbaugh company at Heads hill, near here, Patrick Quinlan was killed and twenty-one others were injured. Jacob Squibbs, who was in his home half a mile from the scene of the explosion, was so badly hurt by his house being carried from its foundation that he will die. Houses within a radius of a mile were toppled from their foundations and window glass in houses twenty miles distant broken.

AN UNUSUAL OPERATION.

Philadelphia, March 5.—Thomas Emerson, a colored man, who was stabbed in the heart Monday by his sweetheart, has been the subject of an unusual operation. His heart was lifted out of the body and six stitches taken to close the big gash made by the negro's knife. The organ was replaced and Emerson is recovering.

GRANTED DREYFUS' APPEAL.

Paris, March 5.—The criminal branch of the court of cassation to day granted the appeal of Alfred Dreyfus for revision.

The decision marked another success for Dreyfus, although it is not yet final owing to the extended supplementary investigation which must follow the court's decision to establish all doubtful points upon which the case was reopened.

MUCH MARRIED MAN.

Elizabeth, N. J., March 5.—When James H. Shilpke, aged 32, a street car conductor, was arraigned in court to day on charge of bigamy he astonished the judge by admitting he had been married "about forty-seven times." Two of his wives were in court. He was held to the grand jury.

ABANDON PROJECT.

Concord, N. H., March 5.—The commissioners appointed to secure a fund for representation of the state at the St. Louis exposition have voted to abandon the project owing to lack of interest in the state, following failure of the legislature to make an appropriation for state representation.

JOINED THE RED CROSS.

Berlin, March 5.—Princess Alice of Bourbon, divorced wife of Prince Frederick of Schoenburg-Waldenburg, has joined the Russian Red Cross and started for camps in the far east.

BANK STATEMENT.

New York, March 5.—Loans, increased \$9,700,000; deposits, increased \$12,873,400; reserve, increased \$961,500; surplus, decreased \$2,296,850.

BURNED TO DEATH.

Detroit, March 5.—Otto Pierce, of Port Huron, and Orin Ransie were burned to death to day seven miles north of Grayling, when Claud Thompkins' lumber camp was destroyed by fire.

COLOMBIAN ELECTION.

Bogota, Colombia, March 3.—The result of the presidential election is that though Gen. Joaquin Velez has a majority of eleven over General Reyes, the fact must be officially declared by the electoral committee July 3 next.

AN EXCHANGE OF VIEWS

BETWEEN SENATORS HALE AND NELSON

Controversy Brought up by Reference to Interests of United States in the Far East —House Proceedings.

Washington, March 5.—There was an interesting exchange of views in the senate to day between Nelson and Hale. The Minnesota senator in the course of a brief colloquy with Patterson concerning features of the naval appropriation bill expressed the opinion that there is such a community of interest on the part of the United States, Great Britain and Japan as to protect China against dismemberment.

To this statement Hale, in charge of the bill, objected sharply, saying the position of the United States in the present oriental war is that of neutrality and he could not allow to go unchallenged any statement in the senate indicating a national interest in either Russia or Japan.

Nelson responded, saying Hale had indicated as great partiality for Russia as he had expressed for Japan.

The naval bill again occupied practically all of the senate's time, but while the amendment concerning the naval training station on the great lakes was technically mentioned, the discussion to day was entirely on political lines and was participated in by Hale, Depew and Nelson on the Republican side, and by Gorman, Clay, Martin, Patterson and Bacon on the Democratic side.

Depew made the statement that the United States must have a navy large enough to protect the United States interests in the orient.

Nelson referred to the common interests of the United States, Japan and England against Russia, and said that with these three united in support of the open door in China there was no danger of the dismemberment of China. All too, were hostile to the absorption of Manchuria. He did not believe there was any formal alliance, only a mutual interest.

Hale protested that this debate was extraneous. "I don't want the statement of the senator from Minnesota to go unchallenged. I do not agree that there is today any such common interests between the United States, Japan and Great Britain on one side against Russia, France and the other powers, as his statement implies. Our attitude is one of neutrality and so declared by the state department. The statement that we have a common interest with Great Britain and Japan as to Manchuria I can't let go without a statement. We are not against Japan, nor must it be said that all our interests are with her and against Russia and other continental European powers." He said that if Japan would be successful in her present war the United States would not be in more danger in commercial matters from that ambitious power than any other. He (Hale) considered the oriental trade as of comparatively little importance. If we had not been involved with the predatory nations in invading China even the Chinese boxers would have protected our interests in China. He was not in favor of any policy that involved us in expense, in the enormous wickedness of this war so far away from our shores.

Resuming his speech Depew denied that the Hay note had been inspired by Germany, as intimated by Patterson. Depew said Nelson had openly expressed his partiality for Japan, while Hale almost as plainly had indicated his leanings toward Russia. As for Patterson, he had manifested the usual Democratic tendency toward expediency by standing ready to take advantage of the situation, whichever side might win. He agreed with Hale as to the wisdom of Mr. Hale's attitude, "but," he said, "the fact remains that every man, woman and child in the United States is lined up on one side or the other as they are whenever there is a fight." He added that the president's proclamation announces our official attitude, but said behind that we can say what we please as individuals.

After speeches by Gorman, Carmack and Bacon, Nelson took the floor to reply to Hale. He said that he had not intended to imply that the United States should take any other than a neutral position in the oriental war, for he held no such position. He did contend, however, that we should take all proper steps to protect our commerce in the orient and he thought the navy should be adequate to that service. Coming back to the question of interest in Japan, Nelson declared there never had been in the history of Japan anything inimical to the United States and that country could be depended upon to maintain the "open door."

HOUSE.

The house to day passed the Indiana proposition bill after some controversy relative to provisions affecting tribes in the Indian territory. An unsuccessful effort was made by Stephens (Tex.) to eliminate the provision for continuing the Dawes commission another year. Among the important amendments adopted were those removing restrictions on disposition of the lands of allottees in the Indian territory who are not of full blood and vesting authority in the secretary of the interior, heretofore resting with the Dawes commission, in the matter of the sale of lands belonging to the Creek Indians. The provision authorizing the renting of certain lands in the Indian territory which have been allotted to full blood Indians of a number of tribes was stricken from the bill on a point of order.

There was a spirited contest over the question of maintenance of a warehouse at Omaha. Members of the Nebraska delegation were opposed by Mann (Ill.) and Sherman (N. J.), but the former won their fight in behalf of Omaha.

Taft's secretary, Frederick S. Carpenter has been appointed private secretary to Secretary Taft, succeeding Merrill O. Chamer, who has been appointed chief of the supply division of the postoffice department. Carpenter is a native of Minnesota and a graduate of Minnesota university. He became private secretary to Taft while the latter was governor of the Philippines and accompanied him to this country.

CAPITAL NOTES.

The president sent to the senate to day the nomination of Henry Thomas Reed, United States judge of the northern district of Iowa.

Overstreet, chairman of the committee on postoffices, reported the postoffice appropriation bill to the house to day.

The house committee on postoffices unanimously agreed to day to report a resolution calling for information relative to the use of "influence" by members of the house in behalf of increase in salaries of postmasters, increases of clerk hire, etc., to the house with recommendation that it lay on the table.

Gen. Leonard Wood has recommended Maj. Hugh L. Scott, Fourteenth cavalry, for a brigadier generalcy. Major Scott served with General Wood in Cuba. He rendered splendid service while there and added to his reputation by gallantry in the campaign in the Marj country.

George D. Henry, of Fairfield, Iowa, to day filed with the interstate commerce commission a complaint alleging that the Chicago, Rock Island & Pacific railroad is imposing excessive and discriminating rates on grain and hay shipments in Kansas, Missouri, Iowa and other states.

The house committee on rivers and harbors to day decided not to authorize the making of any surveys for river and harbor improvements this year.

TRAINMEN DROWNED

Six Lives Lost by Collapse of a Bridge in Ohio.

Cleveland, March 5.—Six trainmen were drowned and four others injured as the result of the collapse of a bridge spanning Yellow creek near Ironville on the Cleveland & Pittsburgh railroad to day. Most of the men lived at Wellsville, Ohio. The bridge was weakened by a cloudburst that occurred Tuesday.

SAMUEL GROFF SENTENCED.

Washington, March 5.—Justice Pitcheard to day overruled the motion of Samuel A. Groff, one of the recently convicted defendants in the postoffice trial, and sentenced him to two years in the penitentiary and to pay a fine of \$10,000. Groff immediately furnished bond for \$20,000 pending appeal.

The action to day places Samuel A. Groff on the same plane as other defendants in the postal case. All the defendants have asked for consideration of their cases by the court of appeals and it is likely it will be months before they can be reached there. All the men are out on \$20,000 bail each.

Des Moines, March 5.—The Boone, Iowa, woman said to be wanted in Pierre, S. D., upon suspicion of having sent a box of candy to Rena Nelson, said as she alighted from a Northwestern train here to day: "I had nothing to do with sending the box of candy to Miss Nelson. It is true we had not been friends for a long time, but I never wished to injure her."

From Boone it was learned to day Miss Nelson went from there two and a half years ago, going to Pierre. She originally came from Ogden and was employed in a telephone office there. The sheriff of Boone county refuses to make the arrest without a warrant.

Pierre, S. D., March 5.—Sheriff Laughlin left to day for Boone, Iowa, to secure the custody of the woman accused of sending the poisoned candy to Miss Rena Nelson, of this city. The probabilities are that the question of jurisdiction will be raised in Iowa, but that appears to be covered by the code to criminal procedure in this state, which provides that where a crime is committed by a person who is out of the state at the time and by any accomplice or any other agency, the crime is triable in the county in which it is committed. The Iowa code contains practically the same language. Miss Nelson is yet living, but is growing weaker and no hopes are held out for her recovery.

FIRE LOSSES.

Mason, Neb., March 5.—Fire to day destroyed the principal part of the business portion of the town. Loss, \$75,000; well insured.

BARRINGTON FOUND GUILTY.

St. Louis, March 5.—The jury in the trial of "Lord" Barrington for the murder of James P. McConnon to night returned a verdict of guilty of murder in the first degree.

FAILED TO REACH AN AGREEMENT

MINERS REJECT PROPOSITION OF OPERATORS

The Joint Conference Then Ad- journs Without Fixing Scale of Wages for Year Commenc- ing April 1.

Indianapolis, March 5.—The joint conference of coal miners and operators of the central competitive district adjourned to day without reaching an agreement as to the scale of wages for the year commencing April 1. This is the second time there has been any failure to agree. Operators are leaving for their homes. Miners' delegates here will meet Monday morning in national convention, when, it is announced, a statement of the position of the miners will be given to the public.

The final disagreement and adjournment since came after a day devoted to consideration of the ultimatum of the operators, which was that a two years scale be signed at a reduction of 5% per cent from the present scale. This had been made to the joint sub-scale committee, which to day reported it to the joint conference. Addressing the acceptance of the proposition were made by H. N. Taylor, of Illinois, and other leading operators. After the withdrawal of the operators the miners held an executive session, at which President Mitchell, Vice President Lewis, Secretary Wilson of the national organization and many district officers advised the acceptance of the operators' proposition. In reply the delegates announced they were bound by instructions and could not vote for the reduction.

A test riding vote was taken and it was seen by the national miners' officers that the delegates were not ready to follow their advice. The executive session was adjourned and a joint conference was held. The vote on the proposition resulted in a tie, the operators casting four in favor and the miners four against acceptance.

Before the announcement of the result of the vote was made Mitchell moved a postponement of the final vote. This carried and Robbins and Mitchell hastily consulted. The other leaders joined them. A meeting of the joint sub-scale committee was agreed to and it was held in the adjoining room while the convention waited in silence.

The committee was in session but a few minutes, not being able to come to an agreement. As soon as the committee reported the convention adjourned sine die.

After the convention Robbins, leader of the operators, said in reply to a question whether there was any way in which a strike could be averted, that representatives of both sides could make another arrangement similar to the one which had just been unsuccessfully concluded. Neither he nor Mitchell would say whether overtures looking to a resumption of negotiations had been made.

CHICAGO DEFEATS ILLINOIS.

Champaign, March 5.—The University of Chicago defeated the University of Illinois at the indoor track meet here to night, 48 to 38. The winners:

880-yards run—Taylor, Chicago; 2:37.
440-yard hurdles—Cullin, Chicago; 5:34.
Shot-put—Rottgeb, Illinois; 40 feet 8 inches.

Two-mile run—Mellin, Illinois; 16:11.
40-yard run—Taylor, Chicago; 6:55.
High jump—Illinois (three places); 5 feet 8 inches.

Pole vault—Miller, Chicago; 10 feet 4 inches.

Mile run—McCully, Illinois; 4:40.
Mile relay—Chicago.

ELGIN TRAGEDY.

Elgin, Ill., March 5.—After having shot her husband three times and tried to kill her seven-year-old son Mrs. Gustave Stanson locked her wounded husband out of doors to day and carried the boy to her bed room, where she attempted to set fire to the house and cremate herself and son. She heard the police pounding on the door and to make sure she would die swallowed carbolic acid and fired a bullet into her throat. The woman is dead, but the others will recover. Domestic differences caused the trouble.

SHOT HER ASSAILANT.

Allamore, Neb., March 5.—Mrs. Frederick Branner to day probably fatally shot J. M. Bertram, whom she alleges, attempted to criminally assault her. Mrs. Branner's husband was absent and the woman says Bertram forced the contents of a bottle of laudanum down her throat during the struggle. She broke away and secured a Winchester rifle and sent a bullet through Bertram's body.

TRAINS LOCATED.

Lewistown, Mont., March 5.—The three stalled trains on the Montana railway have been located between Arrowtown and C-Ber and two trains are tied up near Summit. The passengers were rescued by stages, which shoveled a path over the hills to the track. Snow plows are unable to buffet the blizzards and nothing but a thaw will open the road.

YATES MAKES GAINS

Governor Carries Tazewell, Scott and Clay Counties— Close Contest in Platt County Between Ham- lin and Warner.

Saturday was another day of Yates victories and the governor made substantial gains, carrying the counties of Tazewell, Scott and Clay. In Platt county the Hamlin and Warner forces fought desperately and while the congressman will have a working majority in the convention to be held Monday, the margin is narrow and the final action of the convention will be awaited with interest.

TAEWELL COUNTY.

Tazewell county, which has been carried strongly anti-Yates, was carried by the governor Saturday. Governor Yates was the victor in Pekin, East Peoria and Delavan, these cities giving him 115 delegates out of a possible 149 in the county. Colonel Connelman, who has conducted the Yates campaign in Tazewell county, wired this result last night to Hon. F. H. Rowe. The victory is an important one for Governor Yates, as Tazewell county is the home of Johnathan Merriam, pension commissioner, and Revenue Collector Mills and a very strong fight was made against him. When the roll is called in the state convention, Tazewell county will cast ten good votes for Richard Yates for governor.

SCOTT COUNTY.

The Republicans of Scott county held their primaries Saturday and of the sixty delegates who will sit in the county convention Monday, Yates is assured of over forty, and the state delegation of three delegates will be instructed for him. In the primaries Yates carried the following precincts: North and South Winchester, Naples, Manchester, Glasgow, Alex and Sandy. Hamlin carried the precincts of Bluffs and Exeter, and the delegation from Point Pleasant is understood to be anti-Yates. The delegates from Merritt are un-instructed and Oxville and Bloomfield are unknown quantities.

PLATT COUNTY.

The Republicans of Platt county held their primaries Saturday and as this county is in the congressional district of both Hamlin and Warner the contest for delegates to the county convention was hotly contested. The returns give Warner 59 delegates and Hamlin 48. The vote in the county stood 84 for Warner, 80 for Hamlin and 74 for Yates. The convention will be held Monday.

Republicans of Henderson county met in convention Saturday and instructed the four delegates to the state convention for Sherman.

Primaries were held in Clay county and Yates carried every township except Zenia, which elected a delegation to the county convention uninstructed.

Saline county will hold a mass convention to select delegates Monday. At Benton, in Franklin county, the central committee met and rescheduled their action allowing Maj. Dan Hogan to name the delegates to the state convention and named May 2 as the date to hold a county convention to select delegates.

The Republican central committee of Cass county Saturday called the primaries for March 19 and the convention for March 21.

PISTOLS AND KNIVES

Used in Fight Between Iowa Men—One Dead and Another Fatally Injured.

Winterset, Iowa, March 5.—After a terrible fight, in which pistols and knives were used, John Thornborough, a young married man living near here, last night shot and instantly killed Fred Peacock and perhaps fatally wounded Peacock's father. Thornborough was terribly gashed about the neck and face, but will recover. He is in jail. The fight grew out of an effort upon the part of Thornborough to induce his wife, from whom he was separated, to leave the Peacock home and accompany him.

Albany, N. Y., March 5.—The Democratic state convention for the selection of delegates to the national convention will be held at Albany April 18. This was the unanimous decision of the state committee to day. The only test of strength between the Hill and Tammany forces came out on the question of seating Committeeman Fitzpatrick, from the forty-eighth district, whose the Hill men claimed had resigned. The vote gave the Hill forces a majority and they named Mat the Merz to fill the vacancy.

The Murphy, or Tammany men, issued a statement in which they say that an intimation had been made that the state committee would be asked to pass resolutions, if not of endorsement, at least of confidence, in one of the prospective presidential candidates, but that through Murphy's efforts this was not done, and the delegation to St. Louis would be uninstructed.

FINE SPRING SUITINGS.

Trouton, N. J., March 5.—Elmer Durant and Henry Jones, cellmates in the state prison, engaged in a fight in their cell to day. Durant was stabbed to death, while Jones is in a critical condition. The bodies of the men are covered with stab wounds.

SMITH LOSES HIS TEMPER

BY EFFORTS OF SENATORS TO OBTAIN FACTS

Mormon Leader Accuses Con- gress of Interfering With His Domestic Affairs and Usurping Powers of Utah Courts.

Washington, March 5.—Admirals drawn from Joseph P. Smith, president of the Mormon church, respecting his continued violations of the laws forbidding polygamous cohabitation again constituted the feature of proceedings to day before the senate committee. The witness, angered by the persistent efforts of some members of the committee to obtain from him every detail of his remission in obeying the law, turned on congress and charged that body with interfering without authority in his private domestic affairs and usurping the powers of the Utah courts, which alone, he said, possessed the right to hold him to account for his conduct.

While the witness had been taken in hand by the defense for the purpose of cross-examination, members of the committee in reality consumed the greater portion of the time, and matters were brought out along the line followed by the prosecution in the first three days of the hearing. Some of the testimony proved highly sensational. The hearing will be continued at 10:30 Monday morning.

PRIMARY CALLED

Democratic Central Committee Met Saturday and Called Primaries for May 21.

The Democratic primary election in Morgan county will be held on Saturday, May 21, and the county convention will be held at the court house in this city on the following Tuesday, May 24. This was decided Saturday afternoon at a meeting of the Morgan county Democratic central committee, which convened at the court house at 1 o'clock. The selection of a date for the convention aroused considerable discussion, as a number of the committeemen were desirous of holding an early convention. Several candidates for county offices were present at the meeting and at the invitation of the committee expressed their views as to the date for the primary. These candidates were: T. P. Smith and Robert Tilton, for state's attorney; John G. Reynolds, for coroner; Harry Montgomery, for superintendent of schools; W. A. Masters, of C. H. Bennett, of Prentice, and Charles Boston, of Lynnville, for circuit clerk.

In the absence of M. F. Dunlap, chairman of the central committee, John W. Clary was selected to preside at the meeting. Haller Higgins officiated as secretary. After the regular business of the meeting, resolutions endorsing the candidacy of William R. Hearst for president were adopted.

COLLEGE ATHLETICS

A great deal of spirit is being manifest in athletics on college hill. Every day a large number of students are training in the gym for the coming track events. Several teams are now at work hauling chinders for the new track on the athletic field. As soon as the weather permits the work on the track will be completed as rapidly as possible in order that the spring training may proceed without interruption. Track Manager W. T. Harmon has arranged for an exchange of dual meets with Carthage, Knox and probably Milliken.

Thursday evening, March 10, the college will have an indoor meet with the local Y. M. C. A. Both the Y. M. C. A. and the college have strong teams and a close and exciting contest may be expected. A week after this meet the college gymnasium exhibition will be given. Each class has arranged to furnish plenty of noise and excitement.

Base Ball Manager Freeman is making arrangements with several colleges for base ball games. The suits for the team have been ordered. The college has an abundance of new material this year and with sufficient training Illinois ought to produce a winning team on the track and base ball field.

GUILTY OF MURDER.

Denver, March 5.—Russell Boies was to day found guilty of the murder of 12-year-old Harold Fridberg and of a brutal assault upon Florence Fridberg. The jury recommended life imprisonment. Harold Fridberg was killed with an axe Dec. 31, 1901, when defending his sister.

FATAL FIGHT IN PRISON CELL.

Trouton, N. J., March 5.—Elmer Durant and Henry Jones, cellmates in the state prison, engaged in a fight in their cell to day. Durant was stabbed to death, while Jones is in a critical condition. The bodies of the men are covered with stab wounds.

READY FOR PAVING.
A. F. Franks, who was awarded the contract by the city for the paving of Westminster, Grove, Park and Prospect streets, is in readiness to begin work just as soon as the condition of the ground will permit him to do so. In some places the frost is not yet out and where it is the streets have not settled sufficiently for the work of excavating to be begun. The curbstones have been scattered along the streets and have been trimmed, making them all ready for setting. Much of the brick has also been hauled. It would expedite matters a great deal if property owners on the streets would inform Mr. Franks where the desire their driveways, as the work of setting the curbstones will begin in a few days, barring cold weather.

POLICE NEWS.

Henry Richards and Dan Landes, two boys about 16 years of age, were arrested by Policeman Trahey Saturday on a state warrant, charging larceny. It seems the boys had broken into a dwelling house, where some household furniture had been stored in two of the rooms, and were disposing of it at the second hand stores. Policeman Trahey recovered a small wagon load of the goods and the boys are now in the county jail. They will have a hearing before Esquire Reid Monday afternoon at 2 o'clock.

Dan Holland was arrested by Policeman Trahey for drunkenness.

THE ROUND TABLE.

The Domestic Science Round Table met at the high school Saturday afternoon with forty members present. Fifteen ladies were in the class for the first lesson in fancy cookery. Miss Schmidt proved herself a most able teacher and the ladies felt the two hours were spent in a very profitable manner, learning to make many good things under Miss Schmidt's supervision, and they certainly did look very appetizing. It is the desire of the Round Table to have more of these demonstrations in different lines of cookery in the near future.

JACKSONVILLE CIGAR COMPANY

Has Enjoyed a Year of Prosperity—Progressive Methods Have Won Success

One of the business enterprises of Jacksonville that has met with an unusual degree of success during the past year is the Jacksonville Cigar company, composed of Messrs. W. G. Wolfe, C. J. Wolfe and H. C. Clement. On Monday the firm will be just a year old, and in honor of their first anniversary and in recognition of the favors they have received from the retail trade and the generous patronage of the public, they have decided to observe the day with an unique idea that will doubtless be much appreciated by their patrons.

Monday morning the firm will distribute around the business section of the city, cards entitling the holder to an "Old Smoker" cigar, upon presentation at any of the dealers where this cigar is for sale. The retail dealer will also receive the benefit from this sale the same as if it were a cash sale. This is certainly a most clever method of advertising and will no doubt be productive of results, and at the same time is indicative of a generous disposition on the part of the Jacksonville Cigar company.

As stated above this firm has been in business just one year. They are located in the Stryker building, No. 221 South Main, and occupy the entire second story. The members of the firm are energetic, industrious young men of business ability, push and enterprise, and they felt that the trade would appreciate a straight piece of goods, manufactured under healthy and clean conditions, and their expectations have been more than realized. They have made a cigar that met with almost instant favor, and their business at the end of their first year has reached far beyond their expectations. Their methods have been conservative, yet progressive, and they are making plans for the coming year to increase their business in a most considerable manner. During the past year they have manufactured over a quarter of a million cigars, and locally and throughout the surrounding territory they have a large list of patrons. Locally, they are pushing but two of the brands they manufacture, namely: the "Old Smoker," a five cent cigar, which is a general favorite, and "Vaneta," a clear Havana filled ten cent cigar. These cigars are on sale in over eighty-three cigar stands in Jacksonville.

January 1 the firm added a tobacco factory to their cigar business and have a neat, clean apartment admirably arranged for the packing of strip tobacco. As is well known, there is considerable red tape demanded by the government from cigar and tobacco manufacturers, and before the firm was allowed to open their tobacco factory it was necessary to arrange for an entrance to it by means of not less than two doors. This necessitated some changes in the building, which were made, and they have now a most convenient place in which to transact their business.

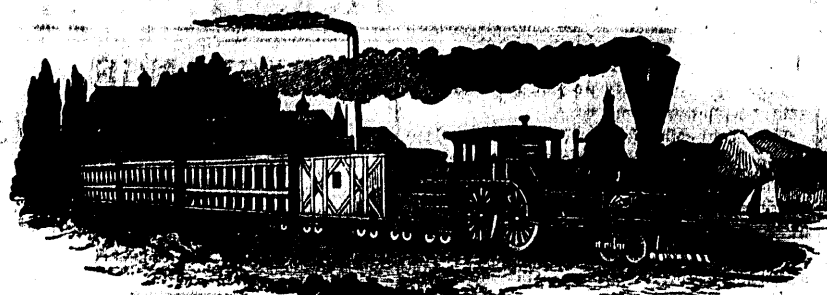

The many friends of the Jacksonville Cigar company will be glad to know that their business is thus growing in such a satisfactory manner.

THE NEW ENGLAND POETS.

Longfellow, Holmes, Emerson and Lowell were all "sad dogs" at college, according to Dr. Edward Everett Hale, the venerable chaplain of the United States senate. In an address on "Reminiscences of the Four New England Poets" before the Potomac Literary club, Dr. Hale recalled a number of interesting experiences with the famous quartet during the school days. When they should have been attending recitations, they were generally wandering about the streets, loitering in taverns, and as the professor said, "wasting their time writing poetry." When the time came for Lowell to deliver his class poem, he was serving a ten weeks' term of suspension at Concord. One day Lowell's father became so exasperated with him that he exclaimed: "I wish that boy would go to work and stop writing poetry."

LEAP YEAR CLUB.

The Leap Year club met at the home of Miss Laura Boylan on South East street Saturday. Various games were played and a very enjoyable time was had by all present. The prizes were awarded: First, to Miss Catherine Ryan, and the consolation prize to Miss Nellie Roach. Delicious refreshments were served.

MAY HAVE SKATING RINK.

W. B. Finn, of Virginia, was in the city a few days ago trying to make arrangements with L. Piepenbring to open a roller skating rink in the latter's dance hall on South Main street. While no definite agreement has been reached, it is probable that the hall will be fitted up for roller skating in the course of a few days. A gentleman from Beardstown is interested in the matter with Mr. Finn, who will be manager of the rink here, if the deal goes through. It has been a number of years since Jacksonville people have had the opportunity of indulging in the sport of indoor skating, which in recent years has been revived throughout the country. Mr. Finn is interested in the management of rinks at Virginia, Beardstown and Canton.

This plan will not interfere with Mr. Piepenbring's weekly dancing school, which will be conducted on Monday nights as usual.

"IDEAL"
Coal is Reliable

You can depend on "Ideal" coal every hour in the day—every day in the year. "Ideal" coal makes a fire that is a fire—hot, but easily regulated. "Ideal" coal suits the cook—suits the whole household. And not only in cooking does "Ideal" coal excel. It keeps the home comfortable. It banishes all blizzard weather. "Ideal" coal is the most reliable, most satisfying coal that ever was mined. And it's economical. A ton of our "Ideal" coal contains more heat—more value—than a ton and a half of common soft coal. We guarantee it. We know what it is; what it does. Try it. \$3.25 per ton, cash.

The coming election for members of the board of education in the Third and Fourth wards has elicited but little interest as yet. The importance of the selection of capable men in both wards is conceded. J. W. Walton is being urged by his friends for the nomination in the Fourth ward, his ability as a conservative business man and eminent qualifications being well known. In the Third ward, Thomas Rapp and J. A. Obermeyer are talked of by their friends.

The Grace church Missionary societies will meet with Mrs. J. H. Osborne on West State street Tuesday afternoon at 2:30 o'clock.

The Hospital Aid society will meet Thursday afternoon, March 10, at 2:30 o'clock, with Mrs. John R. Davis on Webster avenue.

The Literary Union will meet Monday evening at the residence of the late Dr. H. K. Jones. The subject will be "The Teaching of Greek" and the leader will be Dr. Edward Capps.

The Wednesday Musical club will meet Wednesday afternoon at 2 o'clock with Mrs. H. K. Snyder on South Diamond street.

The Young Woman's Foreign Missionary society of Grace church will meet on Monday afternoon at 3 o'clock at the home of Miss Oren, 713 South Main street.

The Daughters of the Covenant of Centenary church will meet with Mrs. Kinney on East North street Monday evening.

Lots of pretty wash dress goods now on sale. O. K. store.

MISSIONARY MEETING.

A very delightful meeting of the Woman's Foreign Missionary society of Centenary church was held Friday afternoon at the home of Mrs. Fenton Sanders. The topic, "The Religions of China," proved of great interest. The society was greatly encouraged by new pledges for special work—one the support of a Bible woman in Japan; the other, support of an orphan in Japan. At the close of the program the hostess, assisted by her daughters, served refreshments and a pleasant social hour was enjoyed by all.

Ladies of taste will appreciate the MILLINERY shown by Loneragan and Smith's.

AT GRACE CHURCH.

The organ music at Grace church to day will be dedicated to the memory of the late William Waters, whose funeral service was held in the church just a year ago. The music will be as follows:

BASKET BALL TOURNAMENT.
Last evening at the Woman's college, the Athletic association arranged a basket ball tournament for the benefit of the gymnasium fund. The first game played between teams composed of girls from Illinois against those from Indiana and Iowa, resulted in a score of 7 to 2 in favor of the Illinois girls. The second game was played between the fats and the leans in which the leans won by three points. The girls all had a jolly time, as they usually do down in the gymnasium.

CLOTHES FOR THE FAIR.

The days of the great St. Louis exposition are not far distant. Jacksonville is so near the fair city that you will doubtless make several trips. You will need to be well dressed then and why not have your suit in readiness, instead of rushing at the last minute. Buckthorpe, the veteran tailor, is showing a very handsome line of suitings this spring. His workmanship is the very best and you will be well equipped for the fair if you order a suit there. Same old stand on East State street.

T. P. A. BANQUET

MEMBERS OF POST O GATH-
ER AROUND FESTAL
BOARD

Meeting Held at the Dunlap Hotel—Splendid Program of Toasts Enjoyed and Occasion One of Unusual Pleasure.

The annual banquet of Post O of the Illinois division of the Travelers' Protective association was held at the Dunlap house Saturday evening and was a grand and successful affair in every particular. As the faculty of the "Knights of the grip" for having a good time under any circumstances is too well known to need comment, it goes without saying that every one present had a most enjoyable evening. Thirty-three members of the T. P. A. were present at the banquet, of which the greater part were, of course, members of the local organization, Post O, although a number of transients, who happened to be in the city, were made welcome guests, while the meet was honored by the presence of several state officials of the association, among whom were: W. W. Welch, of Peoria, state secretary; Dr. William Old, of Peoria, and C. H. McConnell, of Decatur, members of the state board of directors.

The banquet began at 9:30 o'clock. In the large and brilliantly lighted dining room of the hotel a table extended the entire length so that there was a sufficiency of room for all. The table decorations were very beautiful and unique and were the subject of many favorable comments. Beautiful ferns and red and white carnations were strewn along the entire length of the table in the center, while the appropriately significant letters, "T. P. A.," designed of smilax, were placed in an artistic manner. The "T" was at one end of the table, the "P" in the middle and the "A" at the other end. The banquet was served in an elegant and faultless style.

The menu was as follows:

Blue Points.
Consomme, Princess.

Sherry.
Stuffed Olives, Salted Peanuts, Radishes.

Cutlets of Salmon Trout, Cream Sauce.
Potato Croquettes.

Hockheimer.
Small Patties of Sweet Breads, Chanciere.

June Peas.
Benedictine Punch.

Young Turkey, Stuffed, Cranberry Jelly.
Jersey Sweets, Asparagus.

Champagne.
Fruit Salad.

Neapolitan Ice Cream. Assorted Cake.
Roquefort Cheese. Crackers.
Cigars. Coffee.

After the different courses had been served a program of toasts was responded to in a happy and most pleasing manner. Mayor John R. Davis, one of the leading members of Post O, acted as toastmaster in his customary able manner. After a few appropriate remarks, in which he expressed the sincere regret of all at the table that Capt. Alex Smith, who was to respond to the first toast, "Relations of the Hotel and Traveling Salesman," was unable to be present. Mr. Davis then read the following letter of regret from Captain Smith:

"My Dear Mr. Davis: I wish to convey through you to the committee consisting of yourself, Mr. Doolittle, Mr. Roberts and Mr. Byrns, my sincere thanks and appreciation of the cordial invitation of Post O, T. P. A., to be present at the annual banquet, March 5, at the Dunlap house. I fully expected to be present on this occasion, but circumstances, I regret to say, have willed otherwise. You know what a sincere and kindly heart and deep gratitude I have ever felt for the commercial men of America, and especially for our 'boys' of Jacksonville. Now, you are eloquent of speech and graceful always, and I want you to represent me and speak for me when my name is reached upon the program. Knowing my sentiments upon the subject so well, it will be much better and more satisfactory all around.

"I am sure you will all have the pleasant and interesting time you so much deserve, and I deeply regret that I cannot be present. May you live long and prosper. Sincerely yours, 'Alex Smith.'"

"P. S.—I endorse in advance anything you may kindly say in my behalf."

This letter was heartily applauded and then Mr. Davis called upon Dr. Ohl, of Peoria, to respond to the toast assigned to Captain Smith. Dr. Ohl said in part: "I am sure we are all sorry, very sorry, that Captain Smith is not with us to do justice to this subject. I wish in behalf of my colleagues, the state officials, to thank the members of Post O, and especially the committee, for the hospitality with which we have been entertained this evening. I did not expect to be called upon to respond to a toast about which I know nothing, and I must apologize to you for my unprepared condition. If all hosts were like Captain Smith, I am very positive that the relations between hosts and traveling men would always be pleasant. Four years ago, while attending the state T. P. A. convention

Great Majestic Cooking Exhibit
All This Week,

In order to prove to all our friends that the Majestic is the most perfect range on the market, we have arranged for a Cooking Exhibit lasting this week.

During this exhibit we will have a Majestic Range in operation and show our friends that it will BAKE BETTER AND QUICKER, HEAT MORE WATER AND HEAT IT QUICKER, WITH LESS FUEL, than any other range made.

We don't ask you to believe all our statements, but do ask you to call at our store any time during the exhibit and we will convince you that the Majestic is exactly as represented. Don't fail to give us a call.

FREE
During This Week

We will give one set of MAJESTIC WARE FREE to any one purchasing a Great Majestic Range during this exhibit. We make the broad statement that this set of ware is the finest ever offered for sale—not a piece of tin in the entire set. We have the ware at our store. If you will call and see the set you will agree with us that it can't be bought for less than \$7.50. Biscuits baked in three minutes and served with delicious coffee to all who call. Be sure and come.

WOMAN'S CLUB.

The regular meeting of the Woman's club will be held Saturday afternoon at 3 o'clock at the Woman's college. The meeting will be addressed by Mrs. Martha P. Falcov, of Chicago, on "The Child and the Law." Reports of the local work will be given by members of the committee on civics and philanthropy. All who are interested in the philanthropic work of the club are especially invited to be present.

EXECUTIVE BOARD.

The executive board of the Woman's club will meet Monday afternoon at 3 o'clock at 235 West College avenue. Special business is to be transacted and a full meeting is desired.

The work of the committees for the Easter bazaar is well under way. General interest is being shown by the members of the club.

OKLAHOMA FIRE.

E. E. Crabtree received the following letter Saturday from his brother, Charles Crabtree, who holds a position in the First National bank of Lawton, O. T., which gives a vivid idea of the wrought by the recent fire:

"We passed through the worst night last night that we ever saw in our lives. A terrible dust storm came up about 11 p. m. and we were awakened by people hurrying by, yelling that the town was burning and we stuck with the house till we thought it was on fire and then struck off in the storm and stayed all night in a shanty on the Butler addition. There had been a prairie fire all day northwest of town and the storm brought it right along.

"This morning when it cleared off there were probably six or eight barns burned and a few sheds and outhouses, but no residences, but everybody lost more or less. Mother and I both lost our hats and my best clothes are ruined. We are all right, though, and can get straightened up in a day or two. Will write all about it later."

Fine spring suitings. Welth's.

FOR UNIVERSITY TRUSTEE.

Mrs. Elmira Springer, of Chicago, has yielded to the wishes of the Republican women of Illinois and has consented to be a candidate for trustee of the Illinois State university. It is Chicago's turn to nominate the candidate and it is most sincerely hoped Mrs. Springer will be nominated. A woman of rare mental vigor and originality, great executive ability and business experience. Brusque and blunt, but most generous and kind. Her husband used to say before his death: "Never until the great day will the many generous and kind deeds of my wife be known. There is continually coming to me at my office the knowledge of some fact unknown to me and unspoken of by her of some one in grief, misfortune or suffering whom she has comforted, aided or helped." She will be an honor to the state, to the university and to the women who vote for her.

TO THE PUBLIC

The Illinois Millinery House will be open for business Tuesday morning and announcement of spring opening later. Everybody welcome and any favors shown us will be fully appreciated. Illinois Millinery House, J. Herman Proprietor.

PRESIDENT BARNES ILL.

President Clifford W. Barnes, of Illinois college, is ill in Chicago, and although not confined to the house, is under the care of two physicians. He is in a general run-down condition and will remain in Chicago for some weeks. He has recently been in the east on college business.

Leave Your orders for Easter millinery now and avoid the rush later. J. Herman Jacksonville's Foremost Milliner.

NEW SWITCH ENGINE.

A fine new C. P. & St. L. switch engine was at the shops in this city Saturday. The engine, which is No. 4, was manufactured by the Rogers company and was recently purchased by the C. P. & St. L. road for switching purposes in the yards at Springfield. It was brought to the shops in this city to be tried up.

CAN PLAY EXHIBITION GAMES. Bloomington, March 5.—President Holland to day notified all clubs in the "Three I" league that the revised rules of minor leagues do not forbid playing of exhibition games between teams in the same league, except during the regular season. Exhibition games both before and after the regular season are permissible between teams of the same league.

MATHENY & LLOYD.

(By Associated Press.)
Chicago, March 5.—Wheat A reflex of the pit crowd was recently felt at the opening, an advance at Liverpool being largely credited to the Ohio report. The pit crowd was bullish and bought freely. May opened 1/2c higher at 97 1/2c, July 1/4c better at 92 1/2c. A continuation from Odessa predicting curtailment of crops owing to reduction in acreage due to the war was another source of strength. The principal trading was in July, commission houses having considerable buying orders for delivery. Some longs in May took profits early and caused decline to 97c, but shorts were active buyers and the price rallied to 98 1/2c. July sold up to 93c. Additional realizations occurred on the advance and when rain was reported in Kansas and other sections of the winter wheat belt selling became quiet. The market was poorly supported and weak tone developed. May slumped to 96 1/2c, July to 91 1/2c. Close was weak, May 1/2c lower, July down 1/4c. Liverpool steady to 1/2c higher.
Corn—Strength in wheat and active demand from aprominent provision interest caused firmness early. There was little for sale until May advanced nearly a cent above yesterday's final figure. Offerings then became free and prices eased off. Commission house selling due to late weakness in wheat caused an additional decline toward the end of the session. The market closed steady with all advances lost, May 1/4c higher, July up 1/2c. Liverpool unchanged to 1/2c lower. On the coast nine boat loads were taken. Oats—Early in the session the impression prevailed that a big long in May was accumulating a line of July. The pit crowd was inclined to follow this buying and the result was a strong market with both May and July showing gains. General selling developed late due to the break in wheat and corn and considerable weakness resulted. The tone at the close was easier, May unchanged.
Flour—Moderate demand, prices steady. Winter patents, \$5.00 to \$5.10; straight, \$4.70 to \$4.80; spring patents, \$4.90 to \$5.00; straight, \$4.50 to \$4.60; bakers, \$3.90 to \$4.00.

LIVESTOCK.
Cattle—Receipts, 200. The meagre supply offered to day was taken at unchanged prices, quotations ruling 15c to 16c higher for medium and good than last week. Requirements of local, eastern shipping and export trade this week were not large, the improvements in prices due wholly to greatly increased receipts. Good to prime, \$5.00 to \$5.75; poor to medium, \$3.50 to \$4.50; stockers, \$2.50 to \$3.50; cows, \$1.50 to \$2.50; Texas, \$1.00 to \$1.75.
Hogs—Receipts, 5,000. General demand showed more activity and the market was strong and averaged 5c higher. Mixed and butchers, \$5.10 to \$5.45; good to choice heavy, \$5.40 to \$5.75; rough heavy, \$5.15 to \$5.40; light, \$4.60 to \$5.25; bulk of sales, \$5.00 to \$5.40.
Sheep—Receipts, 2,000. Demand fairly active at unchanged prices. Sheep, \$2.75 to \$3.00; lambs, \$4.50 to \$5.00.

Y. M. C. A. NOTES.

The Y. M. C. A. at 3 p. m. will be in charge of Physical Director Coughlin, Ignatius Barnard, of Chicago, will address the men's meeting at 4 p. m. and under the title, "The Great Need," will portray his views social and spiritual of Jacksonville. The message is of a broad spirit, interesting, it is hoped, to all who come, and every man in the city will receive a cordial welcome.

Friday evening, March 11, the board of directors will give the second annual dinner to the business men of Jacksonville and have secured among the speakers President J. R. Barker, Judge O. P. Thompson of this city, A. M. Bruner, secretary of the city and railroad departments of Illinois Young Men's Christian associations, and Franklin W. Gause, of Chicago, who is one of the leading attorneys of that city and also a member of the state and international committees of the Y. M. C. A. movement.

HAIR TELLS CHARACTER.

Color of Hair Said to Indicate a Person's Temperament.

Many people believe that blonde, or light hair denotes affection and dark hair denotes a cold, calculating, and hair is the best of character; far from it. The disposition of the average bald-headed man is to show such solicitude for the welfare of others, that he neglects himself. A germ causes baldness. Prof. Sibouraud, of Paris, France, introduced a rabbit with Dandruff germs, causing it to become totally bald in five weeks' time. To rid the scalp of these dangerous germs it is necessary to apply Newbro's Hairdye.

"Destroy the cause—you remove the effect."

GREAT MAJESTIC EXHIBIT

All Next Week

In order to prove to all our friends that the Majestic is the most perfect range on the market, we have arranged for a Cooking Exhibit lasting one week. During this exhibit we will have a Majestic Range in operation and show our friends that it will bake better and quicker, heat more water and heat it sooner, with less fuel, than any other range made.

We don't ask you to believe all our statements, but do ask you to call at our store any time during the exhibit and we will convince you that the Majestic is exactly as represented. Don't fail to call. Note the date.

COOKING EXHIBIT

All Next Week

FREE DURING WEEK OF EXHIBIT

We will give one set of Majestic ware free to any one purchasing a Great Majestic Range during this exhibit. We make the broad statement that this set of ware is the finest ever offered for sale; not a piece of tin in the entire set. We have the ware at our store. If you will call and see the set you will agree with us that it can't be bought for less than \$7.50. Biscuits baked in 3 minutes and served with delicious coffee to all who call. Be sure and come.

Don't fail to call and get a good cup of coffee and hot biscuits, and see the working of the best steel and malleable iron range on earth. A range that will cook with half the fuel you are now using and will last a lifetime. There are none superior.

T. P. A. BANQUET

(Continued from Fifth Page.)

held in this city, my wife and I were guests at this hotel, and spent one of the most pleasant times in our lives. When we went to leave and I asked Captain Smith for our bill, he told us we owed him nothing; that he liked us boys pretty well and wanted to be a host for once in his own way. I told him I could not stand for such work, that my wife was with me and it was imposing on good nature to accept such generosity. He said, 'I don't care if your whole family were here, it would be just the same.' That's Captain Smith. You have nice hotels here in Jacksonville and I wish Post O progress and prosperity during the coming year."

Dr. Ohl closed by reciting a poetic selection entitled, "The Traveling Man's Dream," in the manner of a finished elocutionist, and which elicited great applause.

F. L. Sharpe responded to the toast "Organization." Mr. Sharpe was at his best and held the close attention of his listeners during his remarks, which were of a more serious than happy nature. He divided his subject into the following five topics, and then spoke for a few minutes upon each: Religious, Educational, Social, Commercial and Political or Governmental.

The next toast, "The Traveling Salesman and the Traveling Public," had been assigned to H. S. Merritt, of Chicago, who was unable to be present. Toastmaster Davis read a letter of regret from him and then called upon F. W. Doolittle to make the response. Mr. Doolittle said that he had received a letter from Mr. Merritt Saturday morning, in which was inclosed a brief address on the subject assigned him, and this Mr. Doolittle read.

C. L. Bartlett, president of Post O, responded to the toast, "Post O, Illinois Division, T. P. A." His remarks were a review of the history of the post since its organization in this city in December, 1897.

Mr. Davis then called upon the ever genial George H. Waters, who had been particularly jovial during the evening, to either tell a story or sing a song. He could not think of a story that he had not already told at the banquet, so he elected to sing a song, a humorous one entitled "Mistakes Are Apt to Happen." An encore was called for and he responded graciously by singing the old but beautiful song, "The Moth and the Flame."

"The Traveling Salesman and His Employer" was the subject assigned to H. B. Myers, who responded in an eloquent manner, setting forth the relations which ought to exist between them.

The concluding toast was "Illinois Division, T. P. A." F. M. Pollock, of Chicago, was to have responded to this, but he was unavoidably absent and sent a letter of regret. In his absence Mr. C. H. McConnell, of Decatur, was called upon and made a very fitting talk.

Prior to the banquet a business meeting

of Post O was held in the hotel parlors and delegates were selected to the state meeting which will be held in Springfield Saturday, April 30. The delegates selected are F. W. Doolittle, F. J. Andrews, George H. Waters, C. L. Bartlett, Robert Fanning, S. B. Stewart, F. L. Sharpe and George A. Smith. The retiring president and secretary, H. B. Myers and John R. Davis, also have the privilege of attending as representatives of the local post.

The officers of Post O are: C. L. Bartlett, president; F. M. Byrns, vice president; H. K. Snyder, secretary and treasurer. The committee in charge of the banquet last night consisted of Messrs. F. W. Doolittle, F. M. Byrns, J. R. Davis and W. D. Roberts.

THE DEATH RECORD.

HAMMOND.
Mrs. Minerva Lucy Hammond entered into rest Saturday morning at 5:30 at her residence, 517 South Diamond street, after an illness lasting about a week. Mrs. Hammond had been in feeble health for over ten years, but her death was due to an acute attack of pneumonia.

She was a woman of strong character and of quiet, retiring disposition, preferring to live within the circle of home life and friends and minister to the comforts and wants of her family rather than seek notoriety in the world. Thus she was tenderly beloved by family and friends, for whom she made many willing sacrifices, and her name and memory will always remain honored and respected for the sweet influences that emanated from her strong womanly character.

Mrs. Hammond was born in Plymouth, Vt., Aug. 15, 1827, and was the eldest daughter of Mr. and Mrs. Joseph Healdle. She remained in her native state until 1856, when she came to Jacksonville with an uncle. In March, 1856, she was married to Aaron Hammond, of Springfield, Ill., and since the time of her marriage Mrs. Hammond has been a resident of Jacksonville. For many years she resided on the corner of College and South Main streets, and her husband conducted a foundry where the present LaCrosse lumber yard is now located. She had lived in her present home since 1885. Mr. Hammond died Dec. 21, 1888.

For many years she has had the tender and devoted ministrations of her two daughters, Miss Laura and Miss Evalyn Hammond, and during the last year, in company with her daughters, she took a trip to her old home and visited relatives in New Hampshire, Vermont and Massachusetts. It gave her great pleasure to visit the scenes of her childhood days, and she often spoke of the experience as having been a most delightful one.

She was the oldest of a family of nine children, and her surviving sisters are: Mrs. Sarah Russell, of Lawrence, Kan.; Mrs. Marcia Whitney and Mrs. Luther Ferber, of Bridgeport, Vt.; Mrs. Hattie Newton, of Ashley, Mass.; and Mrs. George Roberts, of Wilton, N. H. One brother, Forrest Healdle, resides at Bridgeport, Vt.

In addition to her two daughters, she is also survived by two sons, Henry J. Hammond, of this city, and George Hammond, of Kansas City. Her oldest daughter, Mrs. Hattie Hammond Savage, of Oregon, died in August, 1888, and one year of her life was spent with this daughter at her home on the Pacific coast. Mr. George Hammond reached Jacksonville twenty-four hours before his mother's death and was with her at the last.

The funeral will be held at her home Monday afternoon at 2 o'clock.

WATSON.
Carrie Augusta, daughter of the late Rev. Henry M. Tupper, and wife of Rev. Elmer W. Butler, died at her home in Ormond, Fla., Feb. 27, 1904. Mrs. Butler had many friends and acquaintances in Jacksonville and Morgan county, her father having served as pastor for twelve years each of the Congregational churches in Waverly and Joy Prairie, and her husband being a graduate of Illinois college in the class of 1880. She had been an invalid for many years, though maintaining an active interest in all lines of Christian work. At the time of her death she was treasurer of the Woman's Home Missionary union of Florida. She leaves a mother, two sisters, her husband and son, all residents of Ormond, Fla.

Dr. and Mrs. L. H. Clumplit left Saturday for Louisville, Ky., to attend the funeral of John P. Watson, a brother of Mrs. Clumplit. Mr. Watson was about 50 years of age and died from pneumonia.

SMITH.
The infant child of Mr. and Mrs. Joseph Smith, of Joy Prairie, died Saturday morning.

The funeral will be conducted from the residence of J. C. Smith, at 470 South East street, this afternoon at 2 o'clock.

FUNERALS.

MALLEN.
Funeral services over the remains of the late John Mallem were conducted from the Church of Our Savior Saturday morning at 9 o'clock. Father Formaz officiated and said high mass in the presence of a large number of relatives and friends of the deceased. Interment was made in Calvary cemetery.

The bearers were: D. E. Sweeney, J. F. Brennan, Jeremiah Clancy, J. J. Murphy, A. J. Gebert and John Merrigan, Jr.

KELLY.

The funeral of the late John Kelly was held Saturday afternoon, the services being under the auspices of Matt Star Post, G. A. R. Dr. W. H. Musgrove read the scripture lesson and spoke appropriately. Burial was in Jacksonville cemetery and the bearers were: George Fox, Daniel Summers, M. V. Wyatt, T. Goheen, J. W. Peaker and Ben Wood. At the grave L. Goheen served as commandant and George Fox as chaplain.

Tuesday morning the Illinois Millinery house will commence to do business, everybody assured a welcome whether you buy or not.

Lambertville Snag-proof Rubber Boots

To secure servicable rubber boots is usually a difficult proposition. For the ordinary rubber boot there is always complaint. Our customers that wear the Lambertville Snag-proofs are always pleased. These boots contain more of the stuff that wears, more rubber, not so liable to crack, no heavier, nothing but wear.

3.50 Lambertvilles 3.50

If you have been buying the ordinary boot, change your tactics, give a trifle more; a very little—they are \$3.50. Worn once, worn always, because they give satisfaction. Nothing like Lambertville Snag-proof rubber good on the market. Try a pair of "Everstick" invisible rubbers, the new thing for men.
